The Snohomish County Jail Refuse to take ANY actions on Sexual Assaults in forms of Groping and Fondling By Female Staff. David Oster stated on 05-10/06 @ 1:13 pm to me that His Jail Policy Permits His Female Deputies to touch male inmates whenever and wherever in "Pat Downs", But MALE CO'S is not Allowed to touch Female Inmates. I along with many others- whose written statements is included have been Patted Down Sexually. The touching of the Penis + testicals through clothing is normal Policy Here. By Female Staff. Kites And Grievances Do not stop Steve Thompson's Jail Director's Policy. Sexual Harassment, Abuse of Power, And Groping is Allowed in this Jail. Example- When I came from court or church and ask to be searched by MALES - I'm only told to "Face the Wall" By Female CO'S. Avoiding consequences - I obey. Then I'm Groped and touched on Private Areas with Plastic Gloves. ON 5/6/06 CLO SIGH (Female) stated at 10:50 AM when I came out of church that "IF I WAS A FEMALE WOULD I WANT A MAN TOUCHING ALL OVER ME?" WHEN I asked her the question of why male CO'S can't search females, But Female correction officers can search male inmates. ON 5/5/06 2:15 pm CO Burnett (Male) stated to me that "It's a security and liability risk for male correction officers to search female inmates." Sexual Discrimination is also on the list of the Sexual Assaults. Sexual Harassment goes both ways, But they won't listen to me. David Oster (Supervisor) states His Policy on letting inmates into the Law Library is totally up to the Jail Policy "Criteria", yet Does not state that criteria in any form nor fashion from the Law Books nor Present the Policy. This was stated in writing 5/7/06 and Verbal 5/10/06 @ 1:13 pm in 3 south. No one fights for their Rights Here. Medical & Dental Refuse to answer Kites as if there a joke. ON 5/10/06 3:35 AM I ASKED CO GARY FOR Medical Emergency Attention for my Head & she stated "I WAS Bothering Her". I Had to Hit the "MAN DOWN" Button in my cell - Then A nurse gave me Help while I was in tears. Sexual Assault and a whole lot of s'fing Around goes on around here. I Killed Mental Health for Depression From those issues they put me a Back on Relaxing

Statement of Claim (Part 2) 3^B

5/8/06 - 2:05 PM, spoke with MY counselor Steve SHEDRICK about MY Issue of the FEMALE CO's Gropping And Fondling. He stated "There is nothing you can do about it, Because it's JAIL Policy. FEMALE CO's CAN touch MALE Inmates whenever they want." He showed ABSOLUTELY NO concern for Sexual Assault Victims. Four Days Later while HANDING me the 42 USC. Civil Rights Complaint = He stated "I CAN'T Help you with none of this PAPERWORK."

FINALLY on 5/7/06, the DAY Before this = I talked to CLO Turbault ^{SP} in 3-south about the MANNER in which FEMALE CO's Had Not Equal Rights with this JAIL, But SPECIAL Rights, when coming to searching the MALES - He stated that "My whole MANNER in which I'm going about this makes a good Point on why this matter Had never Been Addressed." But I WAS concern when He said "your MAKING a PAPER TRAIL for Yourself." That was the EXACT moment I Knew that I WAS Alone - not AS A Victim, But AS A Inmate Presenting Facts About the Poison of the Policy At this JAIL contaminating Personal. Therefore I present this statement of claim to the U.S. District Court in the State of Washington - with Full Assurance that Justice will Prevail Over Silence And Secrets.

V. Relief

(State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.)

I would like to have the Federal Government Investigate these matters of Sexual Assault Placed on me by Jail Staff. Other victim statements are included. Also I would like to receive some Professional Counseling on Being Sexually Assaulted By those in Authority, Here at this Jail By the Female Staff. It would Really Be nice to the Future inmates to have Access to the Law from the Law Library. The Policy And Procedure of "Searching" from this Jail need to Be open to your court Along with the Hidden "Criteria" stated From David Oster. I seek 1,000,000 (one million) Dollars in Sexual Damage for counseling, meds, Mental Anguish, & Spinal Suffering. God Bless You.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 11 day of MAY, 2006

RE = Sexual Assault By Female Staff,
 BY sticking their Hands inside my elastic pants
 And Gropping Private Area And Buttocks,
 To Whom it may concern.

I AM A Inmate At the Snohomish County Jail, Located in Everett Washington. I write this statement Because I Have Been Sexually Assaulted And Touched inappropriately By Female Staff. Correction = the Female Staff consist of Correction officers only. I feared telling anyone Because I Didn't want to Get in any trouble, ~~So~~ When I Brought the news to my mother she just Handled the phone to my DAD. Then He said He is going to have to set her an appointment to see our Doctor for stress. MY DAD took the news with Hurt. I then told the Chaplains of this Jail of the Abuse & they said it was wrong also. While in Bible Study I brought the issue up & other Guys said the same thing of the groping. The first Part of my Healing came. When I realized I was not Alone. I Hope & Pray this matter Be Addressed as soon as possible. Every 10 minutes a child is molested in America, every minute People kill themselves with Drugs to numb the Pain of sex Abuse. MAYBE this is something I should Have kept a secret, I'm Laughed at Cause many don't understand. Out of All the People I wish to speak to, it wouldn't Be the Doctors, sergeants, nor Friends. But I would like to speak to the one who HAS lost the shame of sex Abuse And speak Loud Against it. This statement is only MY First whisper. Please Help. x Patrick Guillory 414981

Progressive Relaxation

You cannot have the feeling of warm well-being in your body and at the same time experience psychological stress. Progressive relaxation of your muscles reduces pulse rate and blood pressure as well as decreasing perspiration and respiration rates. Deep muscle relaxation, when successfully mastered, can be used as an anti-anxiety pill.

Edmund Jacobson, a Chicago physician, published the book *Progressive Relaxation* in 1929. In this book he described his deep muscle relaxation technique, which he asserted required no imagination, willpower or suggestion. His technique is based on the premise that the body responds to anxiety-provoking thoughts and events with muscle tension. This physiological tension, in turn, increases the subjective experience of anxiety. Deep muscle relaxation reduces physiological tension and is incompatible with anxiety. The habit of responding with one blocks the habit of responding with the other.

Symptom Effectiveness

Excellent results have been found in the treatment of muscular tension, anxiety, insomnia, depression, fatigue, irritable bowel, muscle spasms, neck and back pain, high blood pressure, mild phobias and stuttering.

Time for Mastery

One to two weeks. Two 15 minute sessions per day.

Instructions

Most people do not realize which of their muscles are chronically tense. Progressive relaxation provides a way of identifying particular muscles and muscle groups and distinguishing between sensations of tension and deep relaxation. Four major muscle groups will be covered:

You have been booked into the Snohomish County Jail on a charge(s) that requires your detention and availability to the courts until the charge(s) has been dismissed or until you bail out or satisfied through a court judgment. While you are detained in Jail, you are responsible for following the rules, regulations and procedures in this handout and any information or posted notices.

In the event of an emergency in the module, get the attention of the module Officer by using the call button in your cell or calling loudly, "Module Officer, Emergency". When the Officer arrives, state the emergency, then stand clear. If the Officer needs your help, respond to the request in a quick and cooperative manner. During emergencies, quickly respond to all directions and orders given by staff. The call button in your cell or dorm, is normally used for emergencies unless you are locked down. Unnecessary use of the call button may result in disciplinary action.

Everyone booked into the Snohomish County Jail is entitled to legal counsel. If you do not have an attorney and cannot afford one and are booked on a felony charge, you will be screened by the Department of Assigned Counsel for the Public Defender's Office to determine if you are wholly or partially indigent. If you are able to contribute some part of the financial cost of legal counsel, you may be asked to make a payment and/or sign a promissory note. If you are booked on a misdemeanor (State) charges filed in Everett, South, Everett or Cascade District Court and cannot afford an attorney, you should ask the Judge to appoint counsel for you or refer you to the Office of Assigned Counsel.

Bail may be posted 24-hours a day, either by cash or by an authorized bonding company. See posted listing of bonding companies. You may call a bondsman after you are booked. (Charge is approximately 15% of the bail amount.)

A personal recognition release (PRR) does not require the posting of cash bail or bond. It is a release based on your honor to appear for future court proceedings. The court will consider such factors as employment status, ties to the community, permanent address, charges, prior record, etc. This release will be granted by the Court to a person meeting the criteria at his/her first court appearance.
